TO: Jon and Jeremy Pence and the Pence Brothers Siding Team

I just wanted to let you know how pleased we are with the new siding on our home. As you know, I had concerns about issues that were rather unique to our exterior, especially how the siding would look on a 2½ story wall with original overlapping vertical wood siding that was over 30 years old and in pretty sorry shape. You had the solution to that problem, as well as the others, and the house looks wonderful. Your crew was efficient, professional, and courteous, and the work was completed in one day!

Thanks again for a job well done!

Sincerely,

Keith Tarbett
